A valid radio operators license may be requested prior to purchase.

All radios for business band users can be programmed to your assigned frequencies.

Fleetwood Digital Products reserves the right to decline any sale, for any reason.

Why Choose Fleetwood Digital Products?

Fleetwood Digital Products is committed to bringing you the best possible Chinese 2 way / amateur radios and accessories in terms of both build quality and price. We import directly and pass these saving along to you. All products are initially ordered as samples so we can see for ourselves if the particular item will meet our strict quality control. Only items that have current certificates (FCC) are considered for sale. Each item is inspected both visually and bench tested to ensure performance and functionality before it leaves our store for you. **Unlike other shops on the internet we do not drop-ship to you.** All the items you see in our store are stocked locally at our warehouse in Surrey, BC, Canada. This allows us to maintain and control the quality of product you will soon be enjoying. By stocking the products we can also ensure quick and efficient shipping practices.
